Best Practice Reminder for AAA/ADRC - Completing a LOC Assessment for Someone in the CHOICE Program

Attention AAA/ADRC:

When completing a Level of Care (LOC) assessment for someone who is in the CHOICE Program, be sure to upload the most recent Service Plan in AssessmentPro.

When uploading the document, AssessmentPro will prompt you to indicate what type of document is being uploaded. Please select *History and Physical* as the type of document when attaching the most recent Service Plan.

Note: This process also applies to other non-waiver AAA programs, such as Title III and SSBG.
